

**AMENDMENTS TO THE CLAIMS**

1. (Cancelled)
2. (Cancelled)
3. (Original) A method for providing and collecting information associated with a collection of occupational information, the method comprising:
  - providing a publicly available web site for users of occupational information, wherein the publicly available web site allows the users of occupational information to access information associated with the collection of occupational information and to contribute information used to update the collection of occupational information;
  - providing access to information recently contributed via the publicly available web site, wherein the recently contributed information includes information contributed using questionnaire forms provided on the publicly available web site, wherein the questionnaire forms are configured for completion by the users of occupational information, and wherein user input associated with the completed questionnaire forms is used to update the collection of occupational information; and
  - updating the collection of occupational information based on receiving a submission of an at least partially completed questionnaire form.
- 4-9. (Cancelled)

10. (Original) In a computer system, a method for maintaining a collection of occupational information including descriptions of specific occupations, the method comprising:

providing end users with access to the collection of occupational information, including providing access to a questionnaire for receiving input from a user of the collection, wherein the questionnaire is for association with a specified occupation for which information is maintained in the collection of occupational information;

receiving the questionnaire from the end user;

analyzing the information in the received questionnaire;

providing the user with results of the analysis of the questionnaire; and

updating the collection of occupational information to include information extracted from the questionnaire.

11. (Original) The method of claim 10 wherein the questionnaire is a job analysis questionnaire.

12. (Currently Amended) The method of claim 10 wherein the questionnaire is a job analysis questionnaire and wherein the questionnaire is pregraded for the specified occupation.

13-29. (Cancelled)
